Dear Mr Lovejoy

Trevor Saunders

Further to your telephone conversation with my PA on 20 October, I didn't write again following my letter dated 12 September, because I believe that all the questions posed in your letter to me dated 9 September have been answered in the letter from Rita Lally dated 18 September and that from Nicola Swanscott dated 30 September. I endorse the comments made in both these letters.

Yours sincerely

Chris M Williams
