## 2021 Christmas Newsletter from the Lovelock Family in Sunninghill on [www.gpss.co.uk/xmas21.htm](http://www.gpss.co.uk/xmas21.htm) updated 1440 GMT Monday 20th December 2021.

Seasons Greetings All ! I've been writing these Christmas Newsletters since 1995, online since 1996. Click on Father Christmas above for that from 1996 :-)

<- Tap or Click to [Print xmas21.pdf](#) . Many of us prefer paper !

However, paper will not follow links or play videos ... yet ! :-)

My latest videos are on [www.youtube.com/user/RobinLovelock/videos](https://www.youtube.com/user/RobinLovelock/videos) - there are a LOT ! :-)

Tap or click on pictures to expand, visit links, or play videos. e.g. Clicking on me on the left visits my [www.GPSS.co.uk](http://www.GPSS.co.uk) "Home" page. Below is Tody the Cat, our new family member. Tap or Click on him for his [Tody](#) page, and see what he has been up to ! Homer is on "Christmas Guard Duty" again :-)

We had snow in January - suitable for snowball fights. It made the local golf-courses more suitable for [Walks](#) :-)

June & Samantha had tickets for Ladies Day at Royal Ascot. Robin was their driver - then joined Uncle Bernie & cousin Larry to watch it on TV :-)

June decided to buy a [Camper Van](#) , and we have already had two fantastic trips in it. The first was to Devon: lovely walks, Steam trains, beaches, and [Pam Coughlan](#) :-)

June and Robin take a Trip South West in their Camper Van during July 2021

June and Robin walk to Mansands Beach and back, from their Camper at Hillhead

Saskia & Gary hosted our 50th Wedding Anniversary party. June found old photos, taken by their Ferranti-workmate Pete Wilson. Robin remembered how he cut the cake ! :-)

Here are a few of the guests enjoying themselves :-)

June's Birthday, on Sunday 18th July 2021, had nice weather, so we had lunch on our back patio. The deer eat peanuts left out near our front door :-)

LOTS of other things happened, often the result of taking interesting walks - sometimes places we had not visited for decades - if at all. e.g. that Gypsy Party ! :-)

Writing this newsletter reminded me that I'd forgotten to mention that 5k run that June and Samantha did, around Eton Boating Lake, on Saturday 4th September. It was the same day that June and I started our Camper trip up north, mentioned earlier. Luckily, I managed to find the photos and video clips, that went into my Youtube video above. You will see them with their medals, and me doing some running too :-)

June caught a mild case of [Covid19](#) in early October, keeping her in bed several days, but she was soon back into tennis, shopping, and socialising - within the rules AND Common Sense of course ! :-)

Time to wrap up this "early issue" of the 2021 Newsletter, within a paper budget of two A4 sides, and delegate June to print a few copies.

I'm sure extra pages will be added to this online copy on [www.gpss.co.uk/xmas21.htm](http://www.gpss.co.uk/xmas21.htm) with more pictures, videos, and later news - hopefully good ! Here we are, enjoying a dance at Ramster Gardens, on 29th October 2021. It's from our [Walks](#) page :-)

***Have a Great Christmas, New Year, and a good 2022. Love & Strength ! :-)***
